

Cell Line Release Authorisation for Research Use in Commercial Organisations

The cell line(s) that you have requested is the property of the Medical Research Council (MRC). Commercial use of the cell line or its products or derivatives, including internal research use by commercial entities, requires a suitable license from MRC which can be obtained from LGC Group the MRC's technology transfer and commercialisation service provider. For more information visit commercialisation of intellectual property owned by MRC or contact mrc_ip_support@lgcgroup.com.

Release of this cell line for research use by commercial organisations requires the MRC's permission. Therefore, commercial organisations wishing to purchase this cell line for research use must **complete section one** of this form and send it to the Culture Collections before the order can be processed. Please note that the Culture Collections <u>Standard Terms and Conditions</u> will apply.
