Appendix 1

MERS-1 will be made available subject to the following conditions:

1. It is to be used for research purposes only.
2. Not to be offered for sale or be utilised in commercial processes involved in the preparation for sale of any biological material.
3. Not to be distributed to third parties.
4. If the virus is referred to in any publication, then correct reference will be made to the work of the original depositor and no alteration will be made to its NCPV title or acronym.
5. It is understood that neither NCPV nor its depositors accept any liability whatsoever in connection with the handling or use of the virus.
